**Narrative:**

The Los Angeles County Sheriff's Departments Malibu Search and Rescue Team will host 16 search and rescue teams from various law enforcement agencies across California in order to conduct their yearly recertification training event at Malibu Creek State Park. The large training event will include over 350 personnel that will be conducting rescue team searches, victim tracking and downed aircraft locator searches. Sheriff's Rescue Helicopter Air 5 will be at the location, as well as other rescue aircraft from the area. The training event will take place rain or shine!
